

FPUK85 EGRR 011600
Forecast for the UK.
Issued by the Met Office
at 1600 on Saturday 1 November 2003

** Valid for Broadcasts Between 1800 and 0600 **

Headline:

Wet and windy tonight, becoming brighter tomorrow with showers.

This Evening and Tonight:

Wet and windy weather spreading east, gales in exposed areas.

Sunday:

A wet start then becoming brighter from the west with squally showers, these most frequent and heavy in the west. Windy, gales in exposed areas.

Outlook for Monday:

Bright or sunny spells and showers, the showers heaviest and more frequent in the west at first, becoming largely dry later away from the west.
