Here is the forecast for the United Kingdom for daytime tomorrow:  
Parts of the Midlands and Wales will start the day dull with a little light rain in places. It will soon brighten up though, with all parts then having sunny spells and a few light showers. Some more persistent rain will spread into the southwest later.

Outlook for Tuesday and Wednesday:  
England and Wales will have a cloudy and breezy day on Tuesday with showers or longer spells of rain. Further north it will be brighter with sunny spells and just a few showers. Wednesday will have some good sunny spells, but also a scattering of light showers.
