DEFRA (Ref: MO43) For Weather Forecast Planning Issued on Sunday, 03 January 2021 at 05:31 local time

Air Quality Forecast for the UK

Issued by the Met Office

Today: Sunny spells across Scotland, Northern Ireland and other western areas, otherwise a cloudy day with wintry showers feeding in from the North Sea. Air quality will remain Low across all parts of the UK on Sunday.

Tomorrow: Weather conditions will remain similar across the UK with a brisk easterly wind across North Sea coastal areas. Air quality levels will remain Low for all.

Outlook: Staying cold with further wintry showers through the week, with air quality generally remaining Low across the UK.
