

Forecast For The United Kingdom  
Issued by Met Office Exeter  
at 0700 on Friday 07 Oct 2016

++ Valid for broadcast at 0858

Here is the forecast for the United Kingdom until dawn tomorrow:  
Today will be rather cool and cloudy with scattered showers for some, though there will be some brighter breaks too. Tonight will be chilly across northern parts, whilst eastern counties will see further light showers overnight. In contrast, it will be drier and clearer in the west with isolated mist or fog patches forming.

Outlook for Saturday and Sunday:

The skies will remain fairly cloudy into Saturday, but with some brighter breaks and the sunniest conditions will be across the far northwest. Occasional showers will continue for some through the weekend, though it will remain dry for many and it will stay fairly cool too.
