

Yellow warning
Thunderstorm

Between
15:00 Sun 12 Apr 2020 and
23:00 Sun 12 Apr 2020

Thunderstorms may cause flooding and power cuts in a few places.

What to expect

- There is a small chance that homes and businesses could be flooded quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- Spray and sudden flooding could lead to difficult driving conditions and some road closures
- There is a small chance that some communities become cut off by flooded roads
- There is a slight chance that power cuts could occur and other services to some homes and businesses could be lost

Further details

Whilst some areas will remain dry, a few thunderstorms are expected to break out during the course of the afternoon and early evening before fading later.

Where thunderstorms do occur, torrential downpours could produce 20-30 mm and possibly as much as 40-50 mm of rain in 2-3 hours. Frequent lightning is likely, along with hail and gusty winds in a few places.

 Very low likelihood of medium impacts

Issued at 10:05 Sun 12 Apr, 2020
