

**Yellow warning  
Rain**

Between  
**16:00 Wed 10 Jun 2020** and  
**09:00 Thu 11 Jun 2020**

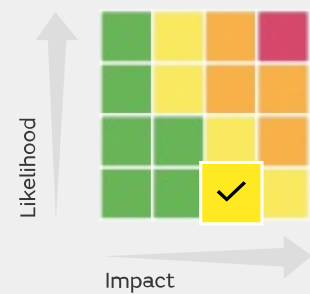

**Heavy rain may cause some flooding and travel disruption.****What to expect**

- There is a small chance of fast flowing or deep floodwater and some communities could be cut off by flooded roads
- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- Spray and flooding on roads probably making journey times longer and may lead to some road closures.
- Where flooding occurs, there is a chance of delays or cancellations to train and bus services

**Further details**

Heavy rain is expected to develop over parts of Wales during Wednesday afternoon and evening and then move gradually southwards during Wednesday night. This should then break up and clear during Thursday morning.

20 to 30 mm rain is expected quite widely and in a few places between 50 and 70 mm rain could fall, the bulk of this within 6 hours.

✓ Very low likelihood of medium impacts
