Here is the forecast for the United Kingdom until dawn tomorrow :  
Cloudy with some rain over southwest England today. Otherwise mainly  
dry with sunny spells, especially away from east coasts. Breezy.  
Windy in the south, so feeling chilly there.  
Rain spreading over the south coast this evening will feed inland  
across the Midlands tonight. Dry and cool with clear spells  
elsewhere. Breezy in the east. Windy in the south.

Outlook for Tuesday and Wednesday:

Cloudy, wet and windy across England and Wales on Tuesday. Sunny  
spells elsewhere, although rain will spread into Scotland later. A  
band of rain will push across from the west on Wednesday with  
brighter, more showery conditions following. Breezy. Feeling rather  
cold.
