Here is the forecast for the United Kingdom for daytime tomorrow:
Much of England and Wales will be dry and pleasant with bright or sunny periods.
Generally windy across much of Scotland with drizzly rain, this rain spreading
to Northern Ireland and northwestern England later. Eastern parts of Scotland
and Northern England should stay dry with bright spells.

Outlook for Sunday and Monday:

Rain will spread to western Wales and much of northern England on Sunday with
Northern Ireland and Scotland becoming brighter with showers. The south and east
of England will stay mainly dry with sunny spells. On Monday cloud and rain will
spread to the southeast with the north and west brighter with showers.
