Here is the forecast for the United Kingdom for daytime tomorrow:  
After a cool start, it will be mostly dry and bright with sunny spells. However, the cloud will bubble up to give a few showers during the afternoon. It will feel pleasantly warm in the sunshine, with light winds. Meanwhile, a band of cloud and rain will arrive into Scotland and Northern Ireland later.

Outlook for Friday and Saturday:

It will be largely dry with sunny spells on Friday, but with the chance of a few scattered showers in the east. Windy with some rain in the north and west on Saturday, but mainly dry, bright and feeling warm and humid in the south.
