Here is the forecast for the United Kingdom for daytime tomorrow:
After a cool start to the day, it will be mostly dry and bright with plenty of sunny spells at first. These will continue throughout the day across central and eastern parts, although a few showers could break out. Across the northwest rain and strong winds will arrive, slowly spreading southeastwards through the afternoon.

Outlook for Monday and Tuesday:

Rain will continue to spread southwards on Monday with sunshine and showers following into northern parts. Many will then see sunshine and showers on Tuesday, these heavy and thundery for some with the risk of hail. Winds will be light but it will feel cool.
