

Forecast For The United Kingdom  
Issued by Met Office Exeter  
at 0700 on Sunday 22 May 2016

++ Valid for broadcast at 0858

Here is the forecast for the United Kingdom until dawn tomorrow:  
Early cloud and rain will clear the southeast this morning. Otherwise it will be a mixture of sunshine and showers with some locally heavy, slow-moving and thundery downpours in northern, western and central parts. Winds will remain light so it will feel pleasant in the sunshine. Into tonight showers will fade away for most and it will turn chilly.

Outlook for Monday and Tuesday:  
Remaining mixed on Monday with sunshine and showers, especially through central parts with locally heavy downpours. By Tuesday it will be drier for most, though still with a few showers in the south, but it will feel pleasant in the sunshine.
