Here is the forecast for the United Kingdom for daytime tomorrow:
It'll be a grey, damp start to the working week with cloudy skies across much of the United Kingdom. There'll be outbreaks of rain too through the morning for most, some of which will be heavy across western hills. Through the afternoon showers will become more isolated with some sunny spells developing, and it will be breezy.

Outlook for Tuesday and Wednesday:
Tuesday will be brighter, and it will feel fresher. There will be some sunny spells for most, and the chance of some isolated showers, especially towards the South East. On Wednesday, it will turn more unsettled again, with heavy showers across the UK.
