Here is the forecast for the United Kingdom for daytime tomorrow:
A mixture of sunny spells and showers. Some heavy and thundery showers are expected, more prolonged from the Midlands northwards, locally heavy and perhaps thundery anywhere. Showers will ease in the southwest, with rain reaching Cornwall by evening. Quite windy in south. Near average temperatures.

Outlook for Tuesday and Wednesday:
Tuesday is expected to be showery in most places, though there will also be intervals of sunshine, more especially in sheltered eastern districts. There may be more general rain over parts of Scotland. Showers should ease over the south on Wednesday, largely dying out by evening. Staying breezy in the south.
