

**Yellow warning
Rain**

Between
09:00 Wed 27 Nov 2019 and
06:00 Thu 28 Nov 2019

Rain will turn heavy and prolonged at times leading to a risk of flooding in places.

What to expect

- Flooding of a few homes and businesses is possible
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer

Further details

Rain is expected to become more persistent during Wednesday and turn heavy at times. Many areas are likely to receive 10-20 mm of rain, with a few locations over higher parts of the North Yorkshire Moors perhaps seeing 20-40 mm. The location of the heaviest and most persistent rainfall is still somewhat uncertain.
